Dear Hiring Manager,

I am writing to express my interest in the Graphic Designer Associate position at Deer Designer. After reviewing the job description, I am confident that my skills and experience align well with the requirements and make me an excellent candidate for this role.

I hold a degree in Computer Engineering, with a strong foundation in web design. I have a solid understanding of HTML, CSS, and JavaScript, and I have developed several web projects, including my personal portfolio. Additionally, I have experience in graphic design, utilizing tools such as Adobe Photoshop and Illustrator for photo editing and layout, as well as Canva and Figma for creating mockups.

I am deeply passionate about web development and am committed to advancing my career in front-end development. In my free time, I actively engage in reading industry blogs, participating in online communities, attending web development seminars, and currently, I am taking a course on Udemy to further enhance my skills.

As a hardworking and highly motivated individual, I bring strong design skills and practical experience as a freelance graphic artist, which have honed my ability to create visually appealing and user-friendly web applications. I am eager to contribute to innovative projects and grow professionally. I am also open to training in any areas necessary for this role and believe that my technical background and creative skills position me as a strong candidate.

I have attached my CV for your review and would welcome the opportunity to discuss my application in more detail. I look forward to the possibility of contributing to Deer and am excited about the opportunity to work with your team.

Thank you for considering my application. I look forward to hearing from you.

Sincerely,
Charles Eduard Español
